

# Cyber Insurance: How to Get Started

## *What to expect from consultation to active coverage*

Review your options at no cost and no obligation. The process starts with a conversation and a few basic details about your business and cybersecurity practices. From there, Aragon Way Insurance helps you review your options, understand the differences, and decide whether moving forward is the right fit.

1

### Initial Consultation

[Schedule a Consultation](#)

A brief conversation to answer your questions and understand your business, contracts, compliance requirements, and coverage needs.

2

### Cyber Insurance Application

[View Application](#)

Includes business details, cybersecurity controls, data types handled, prior claims, and current insurance.

3

### Market Placement & Underwriting

Aragon Way Insurance quotes multiple markets and manages any follow-up with underwriters on your behalf.

4

### Compare Coverage Options

[Coverage Cheat Sheet](#)

Side-by-side review of coverage terms, fit for your risk profile, premium, limits, sublimits, retentions, conditions, exclusions, endorsements, and overall market fit.

5

### Bind and Activate Coverage

If you choose to move forward, we will make any final adjustments, bind the policy, and activate coverage.
